Project Description:

The Grade A office space comprises of 8,782 square metres or 94,527 square feet, arranged over nine floors. Larger than its five floor sister building City Quays 1. The City Quays 2, situated in Clarendon, Belfast. ITV acquired the whole 8th floor of The City Quays 2 for use by UTV, creating an 11,000 sqft broadcasting centre, fully equipped with a HD studio, the latest in technology as well as corporate and sales space. Bloc Blinds measured, designed, manufactured and installed 100 Roller Blinds in both 3% flame retardant screen fabric as well as blackout fabric for both functionality and keeping a consistent look throughout the office space.

The work was completed by the Bloc Blinds Commercial team in spring of 2018, ready for UTV commencing broadcasting in the summer of 2018.

"This was our first venture with Bloc Blinds and it very successful. The entire team were professional and always accommodating. We look forward to working together again in the future."
